

Clinically Dead For 16 Hours

Words and Music by Clementine
The Camerawalls

Am7break D7break
My heart is a terrible failing
Am7break D7break G
I am just beginning to fathom
D6 C/E D/F#
Love's difficult concept
G D6 C/E D/F#break
Swift beats are bending my mindset

Em D
It's wasting my time
C D
It's wasting so much precious time
Em D
Touring white castles with other survivors
Cbreak Dsus-D-D9-D
And then without warning I was...

Chorus:

G D
Clinically dead for sixteen hours
Em G
Show me all the things my heart desires
C9 G C9
Let this be the longest happy dream of
D-Dsus-D
my life

G D
Clinically dead for sixteen hours
Em G
Crossing all the roads where lines began
C9 G C9
Break my hourglass and let the sands
D-Dsus-D-Dsus-D
move in time

Instrumental:

C9 - D - Em - G - C9 - D - Em (2x)

C9 D Em
Three short moons I survived that fatal day
C9 D
But reaching breaking point,

Em
I sleep and face the knife of fate
C9 D Em
And my heart breathe air for the first time
C9 D Embreak
Yes, my heart breathe air for the first time

G D6 C/E - D/F#
A stitch in time and skin
G D6
Has changed my life and the lives of
C/E D/F#
my kin
G D6 C/E - D/F#
A stitch in time and skin
G D6
Has changed my life and the lives of
C/E D/F#
my kin

Em - D
I'm keeping my time
C D
I'm keeping my precious little time
Em
Touched by the Hand that's been rocking my
D
cradle
Cbreak Dsus-D-D9-D
I'll always remember I was

(Repeat Chorus)

Bridge:

Ambreak
No tunnel, no light
Am+M7break
No dead love ones
Am7break D7/F#break
Maybe I need to teach someone

G D C
That we won't realize what we have till we
D
lose them

(Repeat 3x to Coda)

Coda: C9 - D - Em - G - C9 - D - Em (2x)
